

Dear friend,

Elvis Tours & Domino Foundation Dominican Republic would like to continue our project to help as many children as possible from the little “Manguito School” in Puerto Plata to attend classes in the schoolyear 2022-2023.

School starts on 12 September 2022.

Public education is free, however if you want to attend classes you need to have your full uniform and school supplies.

For USD 100 we can buy a child the required school uniform, sports uniform, shoes, underwear, socks, backpack and school supplies.

Kids who did attend classes .....

- Can read and write
- Are not hanging around on the streets
- Can learn a profession
- Have more ability to find a job
- Have less chance to get addicted to drugs/alcohol
- Have less chance on teenage pregnancy

This year also we would like to help as much as possible children to attend classes. Those children are the future of the country you love to visit.

### **Are you going to change the future of a child?**

You can help by sending your donation before 15 August 2022 to:

PayPal [paypal.me/dominofoundationdr](https://paypal.me/dominofoundationdr)

Western Union text us for payment details.

Thank you so much for your help on behalf of Domino Foundation, Elvis Tours AND all the children who will attend classes!
